

NEED UNINTERRUPTED HOT WATER?

Water Heaters

Every bathroom needs a different size of water heater depending on the climate of the place, the kind of fittings used and the number of people who use it. Rain showers, bathtubs and whirlpools need larger water heaters, while kitchens require smaller sized ones.

Jaquar has introduced a full range of modern water heaters ranging from 1 litre for your kitchen, to 425 litres for large homes. Jaquar's range of water heaters have been developed to work in tough Indian conditions, with features that offer more safety, more savings and more life built-in.

Ask your Jaquar bath expert to recommend the right one for your needs.

Features

MORE SAFETY

Double Safety Thermostat

Double Safety Thermostat – dual overheating control mechanism cuts off power automatically even if primary cut off fails

Multi Function Safety Valve

Multi-function Safety Valve – discharges water and acts as a non-return valve if pressure or temperature exceed preset limit

Earth Leakage Circuit Breaker

The ELCB is designed to prevent shock and injury to users. It quickly disconnects a circuit whenever detecting an imbalance of electric current leakage through the body of a person who is grounded and accidentally touching the electriferous part of the circuit.

MORE LIFE

High Quality Glass Lined Heating Element

Superior Quality Glass-lined Inner Tank – prevents rust, corrosion and prolongs the life of the inner tank

MORE SAVINGS

Energy Saving High Density PUF Insulation

High Density Insulation – CFC-free PUF insulation, more thick than normal to minimise heatloss and maximise energy savings

Cathodic Protection

Cathodic Protection – a sacrificial Magnesium Anode protects and saves the tank from electrochemical reactions during water heating

Faster Heating

Single/Dual Glass-coated Incoloy Heating Elements – made of high quality steel for quicker heating and to prevent scale formation

MORE FEATURES*

Digital Controls and Display

- Cordless Remote
- Full Digital Display
- On/Off Timer
- Clock Temperature Setting

7 Years Warranty*
*On Tank

* Available in Elena (Digital) 15/25 Litres
